Forecast for Friday 15 Jan 2021

Weather: Daylight hours will be dry with some brightness, although there could be low cloud and mist, this most likely through the Trossachs and over the Arrochar Alps. Cold winds at height, summit gales developing late evening across the far west.

Chance of cloud free mountain/hill tops above 800m: Some low cloud below 500 metres in the morning, this mostly lifting in the afternoon.

Visibility: Mostly very good, some freezing fog in the glens.
